Hi from Julian and Lesley

We have just completed our 6<sup>th</sup> year with Aqua Adicta. We have had a great season and the busiest August on record. Many thanks to Georgie and Ollie who worked hard for us throughout the summer.

Do check out our Facebook page (and become a liker) there you will find lots of photos we have taken throughout the season; you may even find one of you! You can also upload your own photos to add to our collection. <http://www.facebook.com/aqua.adicta>

Many people have asked what effect the financial crisis has had on us, well we are seeing the school holidays getting busier and busier and other times getting quieter. In 2011 we had our busiest April, August and October and our quietest June and September ever! We do provide generous discounts (especially for individual tuition) outside school holidays so if you have the flexibility to travel then you will be rewarded.

Looking forward to Christmas; if you are stuck for a Christmas present we offer gift vouchers for all of our activities, also Aqua Adicta t-shirts and polo shirts are available by mail order. We are currently running a **special offer**; if you buy someone an activity\* for a present we will send through a gift voucher and a free shirt so they have something to unwrap on Christmas morning. Obviously you don't have to wait for Christmas to buy a present; this offer is also available for birthdays, unbirthdays, anniversaries etc.

Thank you for supporting Aqua Adicta throughout the years...we hope to see you again soon.

Happy Sailing  
Lesley & Julian
